ABOUT US

Since 1996, JETAA Chicago has worked to support all JET program alumni in Illinois, Wisconsin and Indiana. In 2014, several alumni came together with the goal of expanding that support and outreach to include the newest members of our community - outgoing JETs. That year, our inaugural event, the Mitsuwa Market Sweep, brought together 7 alumni and 5 new JETs, kicking off what would come to be known as the Survival Series, which to date has engaged 100s of alumni and new JETs.

Now in its seventh year, under these incredible circumstances, our goal is still the same - to help ensure that the newest members of our community are prepared for what will be a transformative experience in their lives.

So we hope that you will be able to join us, before you depart of after you return. We are all members of the same community now, and JETAA Chicago is here to support you.

For the most up to date information, check out the **Guestlist pages** for each event, our **website**, or **Facebook**. Feel free to contact us via **email** too.
